The CBCC Video Production Studio team will need all Microsoft PowerPoint files and supporting documentation the Friday before the scheduled studio time. Files should be sent to Technical Producer Erin Turner at [eturner@asmtulsa.com](mailto:eturner@asmtulsa.com).

Raw, unedited files will be provided to each client on a portable hard drive. Production fee of 22% is included in the package price.

Additional equipment, labor, and other services not included in these two packages are available for an additional fee. Please contact the CBCC Sales team for more information and to make your studio reservation today.
